

Nova Product Datasheet

Interior Halo Bulkhead

Product Data

Part Code	R181601
Warranty	5 years
Applications	Interior
Certification(s)	UKCA, CE, EMC, RoHS

Physical Data

Colour Finish	Clear base optional trim (white, polished or brushed chrome, black)
Luminaire Fixing	Surface mounted
Construction Material	Polycarbonate
Diffuser Type	Opal polycarbonate
Unit Weight (Kg)	2.80

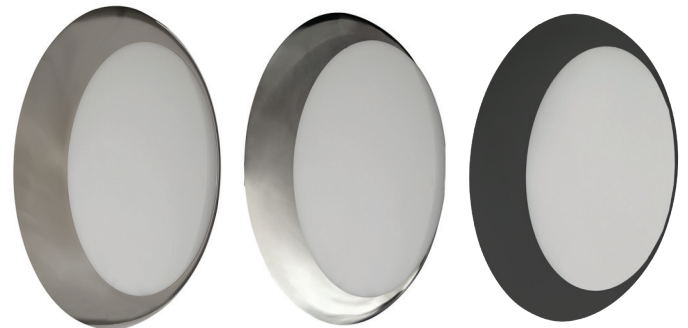

Electrical Data

Voltage Range	220V-240V 50Hz AC
Power Factor	>0.50
Inrush Current	0.16A
Running Current	DC700mA
Protection Class IEC	Class I

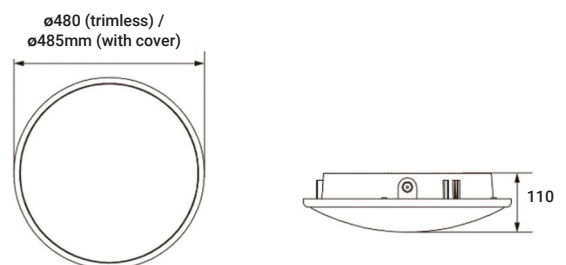

Performance Data

Wattage	22W
Lumens	1800
Efficacy	~82 Lm/W
Kelvin	4000K
Operating Temperature	-10°C to +40°C
Beam Angle	120°
Operating Hours	>50000
CRI	>82 Ra
IP Rating	IP20
IK Rating	IK08
Macadam Ellipse	≤4 sdcM
L70 B50	70,000 hours
L80 B50	50,000 hours
L90 B50	25,000 hours
LEDs	2835 SMD

*Halo effect on the ceiling/wall, trimless
or a choice of covers*

Dimensions (mm)

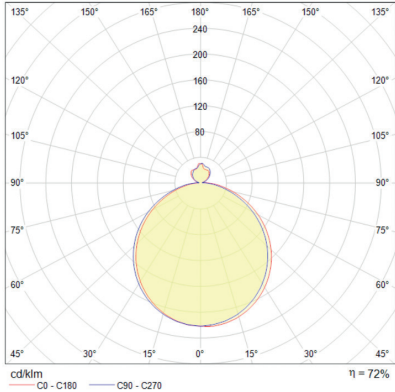

Nova Family

Part Code: R181601

Suffix	Option
/WT	White cover
/PC	Polished Chrome cover
/BC	Brushed Chrome cover
/BK	Black cover
} 1 st add cover suffix	
/DH	Mains dimming
/DD	DALI dimming
/DL	0-10V dimming
/DSI	DSI dimming
} 2 nd add dimming suffix	

Light Distribution:

Example: **R181601/DD**
Nova trimless with DALI dimmable driver
